Since opening in 1967, Floyd Central High School has established a prestigious reputation in athletics. Being built on a strong tradition of excellence, these new facilities will ensure future times of prosperity. The new facilities will not only encourage excellence, but generate school and community energy, enthusiasm, and excitement. Our student-athletes will play in a venue that they will be proud to call
"Home of the Highlanders."

The bricks will be used to pave a pathway to the main entrance at the new sports stadium and provide a lasting way to show your support for Floyd Central. A brick offers a unique opportunity to exhibit your contribution to the athletic program.

To purchase a brick, complete the form below and attach a check or money order for \$100.00 per brick, payable to Floyd Central Athletic Dept. If ordering more than one brick, please print additional message and notifications on a separate piece of paper or attach additional forms.
