RE: Football 2009 Season Tickets

Fall 2009 begins an exciting time for Floyd Central Football. The new stadium will be ready for action when we play Clarksville on August 21, 2009. Amenities include Bermuda grass playing surface, home & visitor dressing rooms, improved concessions area, enlarged restrooms, and modern press-box. Probably the two things we are most excited about are the 25' x 25' scoreboard including built in sound system and the new bleachers holding 3,200 spectators. These 3,200 seats will all be on one side of the field holding both visiting and home fans. The 309 chair-back seats under the press-box will highlight this facility. Naturally these seats will be made available to our loyal, long time fans. Football, band, cheer, and dazzler parents will also be included in the chance to purchase these chair-back season tickets.

These are facts you need to know:

- 2009-2010 Football Season = 5 home games. \$5.00 Gate Admission
- Season tickets for regular bleacher seats will be \$20.00 adults; \$15.00 students; \$15.00 senior citizen.
- Season tickets for chair-back seats will be \$30.00.
- Once you purchase these seats, they are yours each year you renew until you give them up.
- Season ticket holders may purchase a \$10.00 parking pass for the lower lot which holds 300 vehicles. The old football field area will be a free parking lot.
- An open house will be scheduled this summer which will allow the fans an opportunity to tour the new facilities.
- Ticket and season information will be posted at www.floydcentral.org, as well as the newspapers and media.

We are going to start taking season ticket reservations now. Fill out the attached form, call the athletic office at 923-8811 ext. 3006, or e-mail bpierce@nafcs.k12.in.us with your reservation.
